About Us

Bluespring Total Connect Ltd is a proudly Nigerian company, serving as your one-stop shop for all your water and polymer needs and high-quality customised printing services.

We take great satisfaction in offering a diverse range of high-quality products, all crafted with a commitment to excellence and sustainability. From providing convenient hydration options to creating durable packaging solutions, Bluespring Total Connect Ltd caters to your most essential requirements.

Our expertise extends beyond water solutions. We are specialists in pet blowing, we have partial and fully automated pet blowing machines enabling us to blow preform of all sizes. We produce various polymer products, renowned for their strength, durability, and versatility. These include shrink wrappers, packaging and shopping bags, ideal for businesses and consumers alike, amongst others.

Vision

To foster a sustainable future by merging technology and ecology to create top-notch polymer and water products.

Mission

To be the most dedicated premium water and polymer producer in Africa.

Corporate Social Responsibility

We believe that Corporate Social Responsibility (CSR) goes beyond environmental sustainability.

Aligning with a commitment to supporting initiatives that empower women and girls in our communities, we sponsored the 2024 Menstrual Hygiene Day awareness walk. Menstruation is a natural bodily function, yet it remains shrouded in stigma and taboo in many societies.

At Bluespring, we are dedicated to promoting gender equality, supporting the development of rural areas, and creating a more just and inclusive society. This forms the basis for our CSR initiatives.

Management Team

Mallam Idris Adamu

Chairman

Idris Adamu is a dynamic professional with a diverse background spanning business administration and accounting.

His track record includes successfully directing critical infrastructure projects with an expertise that extends internationally, with specialized training in project management and satellite operations from institutions in the United Kingdom, Thailand, and Indonesia.

He is a fellow of the African Scientific Institute and member of prestigious organizations such as the Institute of Corporate Administration and the Nigerian Institute of Management.

Luga Vivian

Company Secretary &
Head of Admin

Vivian is a highly motivated professional with over six years of experience in legal and corporate practice, administration, office management, and marketing.

With a knack for multitasking and a proactive approach to achieving objectives, she thrives in dynamic environments.

She is currently completing a postgraduate degree in International Humanitarian Law aimed at deepening her understanding of legal frameworks to navigate complex legal issues and effectively advocate for the protection of vulnerable populations in times of crisis.

Sylvester Lori

Chief Operating Manager

Sylvester is a result-driven and highly accomplished sales specialist with over 10 years of experience in sales across Multi-National Breweries, FMCG, and Hospitality sectors.

With expertise in relationship management, customer acquisition and retention, territory expansion, channel distribution, event management, and strategic sales, Sylvester has consistently delivered outstanding results.

Sylvester is currently completing a Masters of Business Administration aimed at enhancing his strategic decision-making abilities and further refining his leadership skills.

Management Team

Abuh Shehu-Ahmed

Head of Finance

Abuh is a seasoned professional with a robust background spanning procurement, risk management, and financial administration across various industries.

With over a decade of experience, he has demonstrated exceptional proficiency in internal control, procurement, and risk surveillance. Abuh's career journey includes pivotal roles such as Head of Internal Control and Procurement, contract negotiation, and supply chain operations.

His meticulous approach to sales coordination and administration has consistently contributed to organizational efficiency and success.

Aliyu Atanda Abdulrazaq

Production Manager (Water)

Aliyu specialises in water production management. With a meticulous approach and a commitment to excellence, he has amassed extensive experience in overseeing the production of high-quality water products.

His expertise encompasses the entire production process, from raw material sourcing to quality control and distribution.

Aliyu is a valuable asset in ensuring the smooth and efficient operation of water production facilities, ultimately contributing to the delivery of safe and reliable water products to consumers.

Victoria Stephen

Head of Marketing & Sales

Victoria is a seasoned professional with a passion for driving growth and maximizing organizational potential.

Her career journey, marked by a series of impactful roles and volunteer positions, has equipped her with the expertise needed to excel in dynamic fields.

With a keen understanding of market dynamics and consumer behaviour, she is adept at crafting strategic marketing initiatives that resonate with target audiences and drive sales.

Abdulwasiu Abdulazeez

Head of Logistics

Abdulwasiu is a seasoned logistics manager with a wealth of experience in supply chain management.

With a keen eye for detail and a commitment to efficiency, Abdulwasiu has successfully navigated complex logistics networks to optimize supply chain operations. His expertise encompasses various facets of logistics management, including inventory control, transportation, warehousing, and distribution.

RE: APPLICATION FOR FAST TRACK MANCAP NUMBERS FOR NEW VARIANTS

I am directed to refer to your application for MANCAP Fast Track Number to facilitate the production of packaging materials for your product and the certification.

This is to convey the approval of the Director General of Standards Organisation of Nigeria for your company to use the following Fast Track number below on your product while the Certification of the Product is being processed.

- | | | | |
|-----|---------------------------|---|-------------------|
| I. | MALULA WATER (PET) | - | FT - 19015 |
| II. | MALULA WATER (PC) | - | FT - 19016 |

Please, you are to note that the MANCAP requirements demand that the continued use of the MANCAP Logo and number will be withdrawn, if any of the following conditions happens:

- (1) Your products fail to meet any of the requirements of the relevant Nigerian Industrial Standard
- (2) Your company ceases to produce the product
- (3) The MANCAP Logo and number is misused
- (4) The validity of this privilege is **six (6) months** after which the certification of the aforementioned products to the MANCAP scheme should have been completed.
- (5) The logo is not printed in the original colour as in the PDF file sent to you.

It is imperative that certification process of the above mentioned product is concluded before being introduced into the market.

Engr. Akinware Ayodele John
Head, MANCAP

For: Director General/Chief Executive
Standards Organisation of Nigeria
